TEXT “RESIST” TO 504-09

1. REPEAL THE JONES ACT

“Please support Senators John McCain and Mike Lee in seeking a permanent exemption for Puerto Rico from The Jones Act of 1920. The Jones Act has devastated Puerto Rico’s economy, harmed U.S. citizens, and is largely responsible for the current economic and humanitarian disaster. The Jones Act is a remnant of violent colonialism that needs to be repealed.”

2. CANCEL THE DEBT

“Please publicly support and call for a full cancelation of Puerto Rico’s predatory, illegal, inflated debt. Helping Puerto Ricans recover rebuild must take priority over lining Wall Street pockets.”
